Dear Gabrielle and Jilly

We have utilised the catering services of The Sauce Kitchen for not less than 3 occasions each month for the last 4 years.

During this period The Sauce Kitchen has catered for our Partners meetings (9 persons per event) and Solicitors lunch time forums (up to 20 persons per event).

The Sauce Kitchen has also catered our in-house Christmas function, attending throughout the evening, for a 50 person 3 course meal.

The food is divine, each occasion demands a different variety, and the variety of foods is outstanding, and well suited for each different occasion.

The girls are very easy to deal with, their delivery and pick up service is an additional benefit and thoroughly reliable.

We have no hesitation in recommending The Sauce Kitchen catering for any type of function.

Yours Sincerely

G A FALLOON
Partner
